# ABOUT OUR COMPANY

Jabusiza Manufacturing & Trading CC is a multi-disciplinary construction company which is 100% black woman owned since it was established in 2005. It is composed of a construction team that has proven capabilities over a wide range of different technical fields and capabilities within general building and civil engineering industries.

## **DIRECTOR, CEO AND FOUNDER**

Mirriam Nonhlanhla Mazibuko

---

Nonhlanhla established Jabusiza in 2005, when very few women were participating in the field of construction as company owners. She has for the past nineteen (19) years occupied a position of the CEO of the company. She holds a BA (Social Work) degree, a post graduate diploma in business management, project management certificate, social services SETA assessor qualification and two years Master of Science in project management from Walden University. She has along the way gained further training in Construction Management from SEDA KZN, IDT Contractor Development Programme. Experience gained enabled Jabusiza to grow from Grade 3 GBPE company to the current grade which is 5GBPE and 6CEPE

Due to the vast experience within the Construction industry, combined with commercial qualifications, Nonhlanhla fully participates and is responsible for all commercial matters within the company.

She has in depth knowledge and skills in stakeholder identification and management. She has successfully established and managed various Corporate Social Investments (CSI's) within different Municipalities in KwaZulu Natal.

# PROJECT MANAGER/CONTRACTS MANAGER

Sanele Mathews Khuzwayo
